She pulls out a tiny flashlight. Clicks it on. The light illuminates a hidden passage — rough-hewn, not part of the official hive architecture.

BUZZARIA
(realization)
This was dug recently. Someone wanted private access to the royal chamber.

9 INT. THE HIVE BAR - NIGHT [[ORANGE]] #9# [[STORYLINE SUBPLOT]]

= Buzzaria visits the bar, where Beetrice reveals Wi meeting a royal woman in secret.

THE HONEYPOT — a bustling bar carved into an abandoned structure. Warm amber light. The hum of conversation and the clinking of glasses. This is where the hive comes to forget.

!A FIGHT BREAKS OUT at a nearby table.

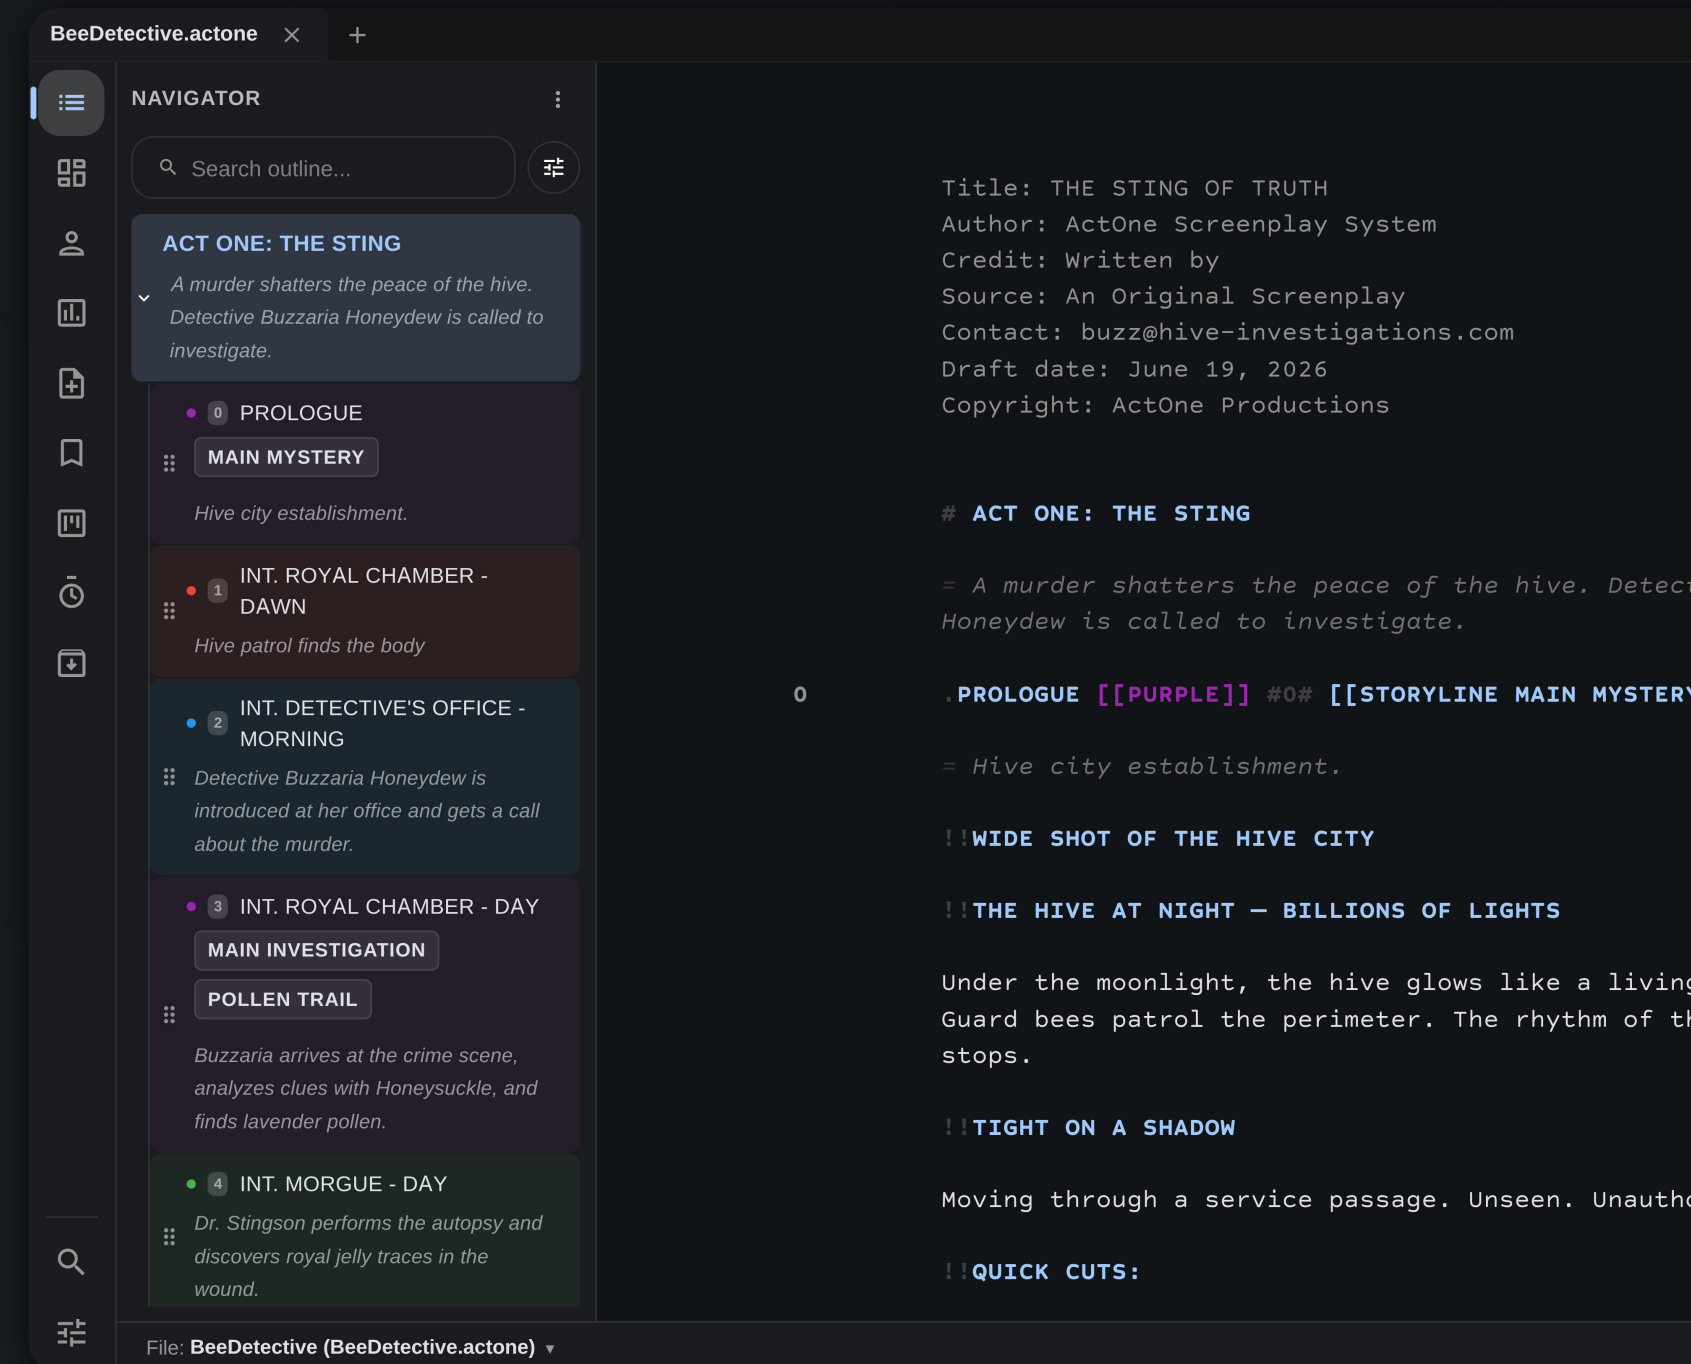

Two drunk drones tussle over a nectar tab. The barkeeper

EXT. OLD HIVE SECTION - DAY **[[BROWN]]** #10#

= Buzzaria visits Elder Mortis who speaks of the Ref
faction and the true nature of power.

Buzzaria descends to the lower levels. The comb here
darker. Fewer bees travel this way. The architecture
geometric perfection to organic chaos.

This is where the oldest bees come to retire. Where
becomes folklore.

ELDER MORTIS sits on a crumbling comb. He is the old
bee in the hive — so ancient his wings are transluce
clouded with age. But his mind is sharp.
